

LT GLOBAL F500 REPLACEMENT MOTOR FOR KLAUBER B500

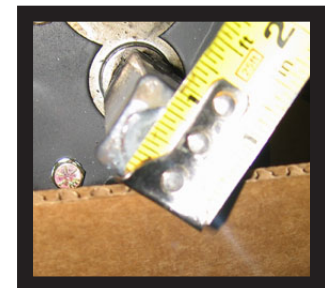

Drive shaft length - 5"

*Square Nut on
Drive Shaft End - 1"*

Drive shaft length - 5"

*Square Nut on
Drive Shaft End - 1"*

The new LT Global F500 motor/gearbox assembly is the direct replacement for the Venture B500. Cosmetically, the LT Global F500 is different from the Klauber B500 in motor housing color, driveshaft shape and manual overdrive nut size. Other than these differences, the motor function and fit are identical.
