

GEAR PACK ASSEMBLY 122837 COMPARATIVE

PRE-APRIL 2006 GEAR PACK

***WIDE-ANGLE
BEARING PLATE***

POST-APRIL 2006 GEAR PACK

***NARROW-ANGLE
BEARING PLATE***

The only difference between the Pre-April 2006 Gear Pack and the Post-April 2006 Gear Pack is the shape of the Bearing Plate. The Post-April 2006 Gear Pack is the current production gear pack being used by the unit manufacturer. It directly and exactly replaces the Pre-April 2006 Gear Pack.
