

ELECTRONICS

When upgrading from non-fused style (A) to fused style (B) refer to the following upgrade part numbers. Programming will be required for fused style receivers and can be completed using a touch screen style remote with fuse programming logic. See TI - 200 for programming instructions.

Non-Fused Style (A)		Fused Style Upgrade (B)		Description
LCI Part #	IDS Part #	LCI Part #	IDS Part #	
206437	13504	305117	18698	5 Function
252884	14833	305120	18699	5 Function with Hydraulic Options
217609	13505	305119	18570	8 Function
252885	14596	305121	18571	8 Function with Hydraulic Options

The receivers below (C) are only available for OEM installed MyRV systems. They are not available for aftermarket installations or upgrades at this time.

Receiver For MyRV System Upgrade (C)		
LCI Part #	IDS Part #	Description
344920	18449	5 Function
344922	18438	5 Function with Hydraulic Options
344921	18448	8 Function
344923	18439	8 Function with Hydraulic Options

As a supplier of components to the RV industry, safety, education and customer satisfaction are our primary concerns. Should you have any questions, please do not hesitate to contact us at (574) 537-8900 or by email at customerservice@lci1.com. Self-help tips, technical documents, product videos and a training class schedule are available at www.lci1.com or by downloading the MyLCI app.
