BOAT/RV WASH

Blast out dirt and grime and restore your boat or RVs original finish. Non-abrasive and safe for all finishes.

Directions

Wear rubber gloves and eye protection. Always test on a hidden area first. For best results work in small sections and rinse well. Do not allow to dry before rinsing.

Pressure Washer Instructions (Refer to Pressure Washer instructions for best results)

1. Rinse the surface before applying the cleaner.
2. Use full strength or dilute with water using the ratios below.
3. Place siphon tube in container or fill built-in pressure washer tank.
3. Spray at low pressure onto wet surface. Allowing cleaner 2 to 3 minutes to soak in for better results. **DO NOT LET CLEANER DRY ON SURFACE.**
4. For heavily-soiled areas, wipe with cloth, sponge or soft brush.
5. Thoroughly rinse the surface with high pressure spray.
6. For extremely dirty or stained areas, a second application may be required.

Manual Instructions

1. Rinse the surface before applying the cleaner.
2. Use full strength or dilute with water using the ratios below.
3. Clean in small sections with cloth, sponge or soft brush.
4. Allow cleaner 2 to 3 minutes to soak in for better results. **DO NOT LET CLEANER DRY ON SURFACE.**
5. Thoroughly rinse the surface.
