

# LEVEL MASTER Angled Mounting Bracket for fifth wheel Pin Boxes

## Installation instructions:

**Note: Before installation, fifth wheel must be level**

- 1. Assemble Level Master to bracket components with hardware provided as seen in figure 1. Do not tighten at this time.**
- 2. Position assembly onto pin box at desired location as seen on figure 2. Mark and drill lower front mounting hole on one side. Secure bracket to pin box with a self-tapping screw.**
- 3. Adjust opposite side to a position where the Level Master ball is level. Mark, drill and secure to pin box.**
- 4. Position vertically to desired position. Mark, drill and secure an additional screw per side.**
