## Patriot 16K™ - 5th Wheel Hitch

### Product details:

#### Same Rails . . . Better Hitch!

The Patriot 16K is our rail-mounted, American-made fifth wheel hitch. It's a lighter weight, less expensive alternative to its big brother, the Companion, but with many of the same great features.

**Part Number: RVK3200**

- Fully articulating head allowing front to back and side to side pivoting.

- Four vertical adjustments from 16" to 19"
- 4" of front to back adjustment with two coupler positions
- Easy to Reach, Cam Action Handle means easy release even when parked on unlevel sites
- Fits all Standard Mounting Rails
- 3/4" wrap around jaws for a strong, worry-free connection
- Side to side pivot with spring cushioning.
- Polyurethane bushings prevent metal to metal contact.
- Product Weight: Base 95 lbs, Coupler 52 lbs
- Footprint: 31.5" Wide x 24" Deep
- Limited Lifetime Warranty
